

CLOUD PINBOARD

A CORKBOARD DOESN'T NEED TO BE BORING, ESPECIALLY WHEN YOU CAN INJECT A LITTLE CHARACTER INTO IT

Large cork sheet Saucer and side plates Pencil Scissors Raindrop template Thick plastic sheet Craft knife Pale blue paint Sponge

- 1 Using saucers and side plates, draw a cloud on the sheet of cork, then cut out the cloud and set aside.
- 2 Trace the raindrops onto the plastic. Using a craft knife, cut out the raindrops.
- 3 Pour some paint onto a saucer and dip the sponge in. Put the stencil on the cloud and sponge the paint over the raindrops. Lift the stencil and move along to repeat the design. When the cork cloud is completely decorated, leave it to dry.
- 4 Use self-adhesive picture hanging strips to hang your pinboard on the wall.
