

DAD

The image features the word "DAD" in a bold, black, sans-serif font. The letters are thick and blocky. The 'D's have a small rectangular protrusion on their left and right sides. Below the word, there are two decorative, curved lines that resemble stylized flourishes or the ends of a ribbon. The first line starts under the first 'D', curves down and left, then back up and right. The second line starts under the 'A', curves down and left, then back up and right, ending under the second 'D'. The entire graphic is centered horizontally on a plain white background.
